New book: TRANSFIGURED

Patricia Sandoval’s Escape from Drugs, Homelessness, and the Back Doors of Planned Parenthood.
November 1, 2017

*Transfigured* is the story of Patricia Sandoval, a renowned, full-time, international pro-life and chastity speaker who shares her message of God’s mercy, healing, and gift of life around the globe, inspiring hundreds of thousands with her harrowing and exhilarating story of redemption. Patricia has shared her story through worldwide media outlets including EWTN’s “Cara a Cara, “Women of Grace” with Johnnette Benkovic, and most recently, “At Home with Jim & Joy” and “EWTN Bookmark.”

When Patricia Sandoval worked at Planned Parenthood, they told her, “Never tell a soul what you see behind this door.” So now she is telling the world. *Transfigured* is, however, so much more than a compelling tool in the hands of pro-life and chastity advocates. It is the incredible life story of a young girl who felt abandoned by her parents, and after three abortions and work at an abortion clinic, became a methamphetamine addict living on the streets—until a miracle occurred.

“She’s a modern-day St. Mary Magdalene. . . this is the Abby Johnson story on steroids.”
—Jesse Romero, Catholic Author, Radio Host, Evangelist

“Raw, real, and riveting . . . This story is made for the big screen. It’s that incredible…you are going to witness the innocence and beauty of a woman being restored. You are going to learn how Jesus, Mary, and Catholicism have the power to transfigure any soul. And I bet you’re going to want to be transfigured, too.”
—Father Donald Calloway, MIC

*Transfigured* is written with Ms. Sandoval by Christine Watkins, best-selling author of *Full of Grace: Miraculous Stories of Healing and Conversion* (Ave Maria Press) and founder and CEO of Queen of Peace Media. Along with Fr. Donald Calloway, MIC, and other prominent Catholics, Archbishop Salvatore Cordileone of San Francisco, Bishop Michael Barber, S.J. of Oakland, and Astrid Bennett Gutierrez of EWTN enthusiastically endorse *Transfigured*. The book is also soon to be published by the largest Catholic publishing house in France, Éditions Pierre Téqui.
